

The logo for 'We Are Now' is centered at the top of the page. It features the words 'WE', 'ARE', and 'NOW' stacked vertically in a white, sans-serif font. The 'A' in 'ARE' has a horizontal line through its center, and the 'O' in 'NOW' has a downward-pointing triangle inside it. The background of the top section is a vibrant, abstract pattern of concentric, overlapping lines in shades of purple, blue, and red, creating a sense of motion and depth.

WE ARE NOW

Artist Call Out : We Are Now Festival 2017

We are accepting submissions from performers, installation artists and sensory practitioners to feature in our next festival, 1 & 2 September, 2017.

Concept

We Are Now craft live events that explore the creative use of technology in the performing arts to create sensory experiences for audiences.

We provide a platform to showcase exceptional, exploratory and playful practices at the convergence of performance and technology. Featuring work from up and coming artists alongside more established names, We Are Now aims to support artists pushing the boundaries of their specialism to develop their work and professional networks and pioneer new methods of immersive experience in the arts.

Theme

Following on from our inaugural year at the [Roundhouse](#), we are looking for work that uses technology and considers one or more of the following areas:

Senses/ sensors / electricity / explosive / interactivity / playful / immersion / provocation / existential / emotionally powerful / inner beauty / embodiment

Disciplines

We are looking for bold, experimental and inventive work which considers audiences at it's core and are seeking submissions from artists in the following areas:

Theatre performances up to 90 mins in length / interactive performance / digital & new media artists / interactive installations / interactive sculpture / VR & AR / dance / music / sensory design / audio theatre / architecture / multi media / light installations
